

MOTORCYCLE SAFETY

Accomplishments	
Problem Identification <ul style="list-style-type: none"> Impaired riding crashes and fatalities Speed-related crashes and fatalities 	
Training Examiner Training: Continuing to assist DMV with training examiners Instructor Training: <i>New instructor training took place this spring in Las Vegas; six new instructors graduated from the program.</i> <i>The Nevada Rider Program has a Quality Assurance program that visits training providers and instructors while they are teaching. Ensures the curriculum is taught per the standards, the practice area and the motorcycles are safe to use. Four instructors to become certified as Quality Assurance Specialists.</i>	Strategy 2: Increase the percentage of motorcyclists that are trained and licensed.
Motorcycle Safety Campaigns <i>Upcoming Motorcycle Safety Campaign for Motorcycle Awareness Month (May), will run from April through June. Messages on "Look Twice" and "Share the Road"</i> <i>The RTC Bus Posters will go up in April to coordinate with MC Safety Month, "Get Licensed, Get Trained" posters will be placed in RTC busses. Scheduled to run 90 days.</i>	Strategy 3: Improve motorcycle-friendly roadway design, traffic control, construction, and maintenance policies and practices
Priorities/Actions	
Developing New Strategies and Action Steps <i>The Task Force is reviewing crash data and conducting an assessment of previous strategies and action steps to development new strategies and action steps for the 2021-2025 SHSP Update.</i>	Impacts all strategies
